The meeting was called to order by President Rae Greene. Minutes for the meeting of October 15 were read and approved.

Campbell was present to give a statement of the finances of the Kaimin so far this year. (Refer to his report) The Kaimin is ahead \$165.00. Photography and circulation expenses have been cut down. This year they are making \$5.00 per average issue. A formal reckoning of the Kaimin will be asked for at the end of the quarter.

Bill Stevens left out one of the members of Student Union Executive Committee in the M Book. Gayne Moxonson did return to school but her name was left out. Grace Johnson said that if it were agreeable with Central Board, six members on this committee will be all right. As the by-laws do not limit members of the committee, we will leave six on it.

The Bear Paws will support the Sadie Hawkin's Day Dance with the benefits going to A.S.M.S.U.

Joan reported that Masquers and the Music Department are both desirous of putting on a musical. The Masquers are willing to cooperate in every way, and may even agree to use their reserve fund which is built up by students paying 50¢ per quarter. Joan moved that Central Board approve the presentation of an all school musical, the exact method of financing to be determined at a later date. Christenson seconded it and the motion carried.

Adams reported that she interviewed the heads of all service organizations except Manager's Club, and everyone is in favor of the Sadie Hawkin's Day Dance. It was the idea of the Spurs of last year so both the old and the new Spurs will work on it. The matter was tabled until after homecoming.

Joan was talking to Miss Mum about the Winter Quarter Social Calendar. Saturday night at the first of the quarter is the A.S.M.S.U. date to give a Mixer, but RX wants a Saturday dance. Central Board is agreeable to have the Mixer on Friday and let RX have Saturday night.

There being no further business, the meeting adjourned.
